Subject: Hacker's Donations

Glenn,

Jon McIntire passed your letter on to me (he is in St Louis for the next couple of weeks). We would be happy to provide scholarship funding for this year's Hackers Conference and have already received $5,500 in donations whose donors have asked us to use their contributions for such purpose.

We would like to use 5% of those donations to cover our costs of handling and accounting for the donations, so that would have us funding scholarships totaling $5,225 for this year's Hackers Conference. This should go a good way toward meeting your funding request of Occtober 18 for $6,720 to cover sixteen scholarships.

Let me know if this all works well for you. I assume that the donation check should be made out to the Hackers Conference and that it should be sent to P.O. Box 6983, San Mateo, CA 94403.

Sincerely,

Keith Jordan
